Let's Go Strolling – Which Strollers Are In This Fall?

Oakland, CA – If you are like so many moms and dads today, you can't wait for Fall to come around so you can walk your little bundle of joy all around during exploration time and have him/her look at the pretty foliage and just enjoy the quality time together outdoors. You are probably also a hip mommy or daddy who follows the trends in baby items but have been too busy with the little ones and being pulled in so many directions and thus have been unable to keep up with what the hot new strollers for the Fall actually are. If that is that case, don't worry as the experts at **Let's Go Strolling** are here to help!

Let's Go Strolling, who always on top of the baby product scene, makes life a little easier for you with their **Stroller Consultation** feature. At **Let's Go Strolling**, their knowledge and experience has helped thousands of customers find the perfect stroller and accessories to fit their lifestyle and needs. They would love to help you as well. **Let's Go Strolling** carries only the best quality strollers and accessories so you can be assured that the products you select will stand up to the rigors of your busy lifestyle. The fastest way to find a great stroller solution for your individual needs is to contact the company by phone at 877.STROLL.1 (877.787.6551) Over the phone they are able to ask you the key questions necessary to assess what stroller is best for your situation. They strive to return all stroller consultation phone calls within 24 hours Monday - Thursday and by day's end on Monday for messages left on Friday or over the weekend.

Some of the popular Fall (and all year long) strollers include:

- **2008 Bob Revolution – SRP: \$359** - All-Terrain swivel wheel stroller with larger 16" back-wheels, perfect for jogging or shopping around town. Compact fold, great sun-canopy coverage.
- **Baby Jogger City Elite Double – SRP: \$649.99** - This stroller is so user friendly and folds so easily - now available with premium features/upgrads. Dual front suspension for a smoother ride with children of differing weights.
- **'Boy Meets Girl' Pink & Blue Limited Edition Valco Twin Trimode – SRP: \$825** - Now only is this the cutest Boy-Meet-Girl Stroller to hit the market, but it also comes fully accessorized with matching footmuffs, bumper bars, and rain/sun covers. With this Limited Edition Pink & Blue, you will be the coolest family on the block strolling in comfort with two (or even three kids). Pushes like a dream even with 100 lbs of kid inside.
- **UPPABaby 2008 VISTA – SRP: \$649** - The UPPA BABY VISTA (\$649) reversible seat stroller is a stylish and easy way go strolling while baby faces you. Now with smaller wheels and a narrower width!

Additionally, **Let's Go Strolling** also offers a variety of other children's products and they think buying the right stroller, diaper bag, and accessories allow parents the freedom to be-on-the go and active with their children. Many of us were active people before having our children and investing in the right gear allows us to stay active in the world around us even with our kids.
